OREGON, MISSOURI, FRIDAY, NOVEMBER 1, 1895.

NUMBER 23.

## BEWARE OF IMITATIONS.

A certain dealer in Holt county claims his wagon is made by Peter Schuttler, only has another name, and claims it is a half brother to the Celebrated Peter Schuttler. If you will believe such nonsense and buy those snide wagons which shake to pieces in a year or two you will be sorry of it.

H.C. SCHMIDT, Oregon, Mo. sells the two very standard, easy running wagons made, the

NEWTON and SCHUTTLE

good goods a specialty.

—E. L. McDonald who began his newspaper career with THE SENTINEL several years ago, will sever his connection with this week, having been offered a more lucrative position on the St. Joseph Daily News, where he will be assigned to duty as a member of the local staff. He has been correspondent for that paper at this place for several years and it was his work in this part of the state and if the managers of the News will give him half a show, we have no uneasiness as to his being able to fill the bill in every particular. He has been educated upon THE SENTINEL, as to what constitutes news, and the value of news, and how to make the most of it. From the time he began his services on this paper to learn the trade, we have ever found him strictly reliable and every way trustworthy. You may put him at the "dead cases," and tell him about what you want, without a line of copy, and you will find a neat and in the job sheet, you may do the same in the job department, and the result will be the same. You may send him in the reportorial field, and stipulate space allowed, and his work will prove satisfactory—at least we have ever found it so. In time, Mr. McDonald will prove a very valuable man to the News.

—W. L. Baker's many Holt county friends will be interested to learn that he has been quite sick at his home in St. Joseph, but is now able to be around again.

—C. C. Bell, of Booneville, and who is closely related to this town, by reason of being Uncle George Luckhardt's son-in-law, is the apple King of Missouri, and has twenty different packing stations in operation.

Will trade for stock or real estate, or will sell on time, purchases giving satisfaction and security. Reasons for selling good. Call on or address, THE SENTINEL, Oregon, Mo.

—The manufacturers of the Newton and Schuttler wagons have some reputation at stake which they cannot afford to lose by putting up snide goods. Those other cheap put-up wagons last only a few years in each locality, then they are no more, and another so-called just as good as one takes its place. But some people want to be humbugged.
